How reputable is swanson vitamins? : r/Supplements - Reddit

How reputable is swanson vitamins? General Question They have super cheap products so I am a bit skeptical about the quality. Do they have any independent testing? What has been your experience with them? Archived post. New comments cannot be posted and votes cannot be cast. 16 Sort by: OddnessWeirdness • 8 mo. ago

Swanson Vitamins Review: Is It Worth Your Money? - Honest Brand Reviews

Swanson is a budget brand and they use some cheaper, less bioavailable vitamins and minerals in their products. Although they're NSF certified, it's not a top-tier brand like Life Extension or Thorne. Probably not the worst company to buy from. But do NOT buy their fish oil - don't ever buy this from a budget brand. 1 Low-Delivery3890
