## Swanson Health Products - Wikipedia

Swanson is the largest privately held vitamin retailer in the US. High turnover means you're going to get fresh product from them. They get a lot of their vitamins (which have to be GMP compliant) from China, send to 3rd party quality control labs, and do in-house spot-checking for heavy metals. For common vitamins & minerals, you should be fine.

## 14 Best Vitamin Brands of 2023: Healthline's Top Picks

Swanson is a budget brand and they use some cheaper, less bioavailable vitamins and minerals in their products. Although they're NSF certified, it's not a top-tier brand like Life Extension or Thorne. Probably not the worst company to buy from. But do NOT buy their fish oil - don't ever buy this from a budget brand. 1 Low-Delivery3890
