NSFW Tren - how bad is it really? Keen to hear anecdotal feedback on Tren from actual users who know the drug well. I've used MENT before and Deca so I'm no stranger to 19-Nors. I'm keen to cut as much as possible in the coming months but I'm apprehensive about using Tren. MENT was good for me, but very bloaty due to water retention.

#1 · Jul 23, 2014 Has anyone ran Tren E at 100mg per week? If so, how would you rate it? I ask as I have some available, but have never ran tren before. For my first time I'd prefer Tren A just because its quick in and out, however I have Tren E available. It's dosed properly as well, before anyone asks, it's made by a good friend of mine.
