You buy illegal drugs from drug dealers. I would be extremely careful if I were you, you want to be sure of what you are injecting into your body. For the average guy, there is absolutely no point in buying steroids. Contrary to popular belief, steroids don't magically transform average guys into elite athletes.

1 ML / 200 MG/ML Supply It's the number of days or months a medication will last if taken as prescribed. The most common days' supply are for 30 and 90 days. Not all insurance plans will cover a 90-day supply. But you can always ask your prescriber for a 90-day supply, which can sometimes save you money. 28 days (4 vials of 1 milliliter) Form
