This is a single-use testing kit made by LabMax. It is a simple pass or fail test. This test kit contains two vials: A and B. Those can be used for testing various steroids in oil, pill or pure powder form. This dressing is in my no overt fat, Sauce A Licious book. You can get this book for FREE if you purchase the Ultimate Raw Vegan Bundle through my link @jadeyraw

EVP

EVOLUTIONARY PHYSIOLOGY

Roidtest Advanced Field Kit has been created by William Llewellyn the author of the well-known book 'Anabolics' and is designed to combat one of the trickiest problems that hard training bodybuilders encounter. Why use a steroid test kit? ROIDTEST™ Anabolic Steroid Testing Kit is a multi-test system for the presumptive identification of specific anabolic steroids.

More changes to come over next few months that's for sure. I'm just so happy i can finally be my true authentic self, and live my life who i was supposed to be many many years ago. [made my day](#)

Steroids test kit, power pack. The only reliable test on the market. Test kit which comes with 40 or more test vials. You can buy this power pack and the rest accessories if you do not have them already.
