Buy Pregnyl: Pregnyl is quality brand name HCG 5000 IU which comes in a sealed ampule. Pregnyl must be mixed with bacteriostatic water for use (not sold on this site). We also offer a Pregnyl alternative brand which is called Chlormon HCG 5000 IU. Chlormon is manufactured by SWISS Pharma company IBSA. Another great reason to run Primo is to keep you from getting sick during your prep. Or even during the allergy season on cycle. Only takes an infection from keeping you out of the gym. During that period of time you will also be in a malnourished state. With this being said, staying healthy is key to making proper gains made on cycle. [experienced](#)
