Sustanon 250 is a popular testosterone blend (mixture) and is without question the most popular and well known blend ever made. Manufactured by Organon, the idea behind Sustanon 250 was to provide the best of small (short) and large (long) ester testosterones in a single compound. Sustanon 250 is a product of Organon, was initially introduced for therapeutic use. It was intended for children with very low levels of testosterone. Its use improved the problem and raised it to normal and healthy levels. Its circulation begins in the 1970s.

Be humble for this life..do not take granted for this life...live like king for your own sake without keeping ego and pride in this Life.. celebrate the life..Breath , receive and be gratitude.. for whatever you have.. [visit this site](#)

Despite the fancy name, Sustanon 250 is just Testosterone. And if you cannot find Test-E or Test-Cyp, then you can use it as a base for your maiden steroid cycle. But if you can find a single ester form, then we would prefer that over Sustanon any day. #research #pharmacology #bioscience #kingscollegelondon #newsletter #magazine #journalism #science #drugdiscovery #drugdevelopment #student #studentlife #kcl #cardiology #neuroscience #immunology #interview #pharmaceutical #biopharma #pharma #endocrinology #britishpharmacologicalsociety #valentines #health #healthylifestyle #sciencecommunication #greentea #stem #stemeducation #studentjournalism Sustanon 250 ® is a PATENTED PROHORMONE and testosterone booster designed for the purpose of delivering the maximum number and dosage of anabolic compounds in their most bioavailable form, in one tablet.

#youtube For the uninitiated, Sustanon 250 is a quad-stack of four testosterone esters, two of which are shorter acting esters, one is a medium ester and one long acting ester with a half-life of about 15-20 days. The idea behind stacking different esters into one product is to minimize the frequency of pinning. Or so the manufacturers seem to think. Especially in bananas potassium and magnesium, which are needed for the smooth functioning of the heart, brain and muscles. Only a few bananas a day can fully satisfy the body's needs for these trace elements. [do you agree](#)
