Sleep is obviously of utmost importance for physical, mental and emotional health yet we live during a time where it?s always first to be sacrificed. It?s easy to get caught into the false belief that ?x? is more important than an extra hour or two of sleep. We?ve all been there before. This is perfectly acceptable and even necessary a night or two here and there but let?s stop fooling ourselves. We simply don?t function the same chronically in sleep debt. [look at more info](#)
