Helping those with #covid_19 in my other profession, I decided to create an oil painting as a tribute to all of my colleagues in #healthcare. Check back for updates as this #oilpainting progresses. When finished I will be selling a limited number of full sized giclee archivable canvas prints to benefit a covid charity. Original may be auctioned off. Stay tuned for details. #covidtribute [made a post](#)

Overview Fast Grow Anabolic is an advanced formulation, high protein supplement with an outstanding amino ratio content to aid lean muscle building. The addition of Taurine and Tribulus Terrestris contributes to boosted power and strength. The 2-stage Glyco-Matrix Carb System is designed to boost muscle glycogen storage.

Anabolic fasting is a combination of two popular concepts; intermittent fasting and Dr. Mauro Di Pasquale's anabolic diet. Dr. Mauro Di Pasquale is a world-famous nutritionist specializing in sports nutrition and performance. Intermittent fasting is when you eat all you want for 8 hours of the day and then fast for the rest of the 24 hours.
