Some of my family, especially the older generations, support these anti-trans bills across the country.

I've heard the terrible things they have said about trans people over the years, not knowing they were talking about me too.

Cheap prices, easy payment methods and express domestic shipping. So I can't remember whether I said last time or whether it was after my last post but I finally had an appointment with a GRC, I was initially waiting for Sheffield and I had been on the list for four and a half years before a pilot clinic in Manchester called Indigo started up, I've had my first appointment with them and we're looking at changing my prescription over to the NHS at my next appointment. The doctor I saw was really kind, he listened to me and let me lead the conversation of what treatment I might need. My second appointment isn't booked yet but they said they're trying to see people again between 6-8 weeks I think, though I may have misremembered that. But at least I know I'm being seen, I'm finally on a road that will get me to top surgery and it couldn't come quicker. [see this](#)
