Active substance: Clenbuterol 37mcg, Liothyronine 25mcg, Yohimbine 5.4mg CY3 Dragon Pharma is the best combination of substance for those who want to lose weight very fast and effectively. During the cutting cycle, CY3 is ideal if you want to lose the water weight and additional fat. Clenbuterol increases heart rate, metabolic rate, and body temperature. Clenbuterol and yohimbine are often taken together to create a synergistic fat burning substance, but they have a number of risks and side effects that you need to consider.
