The purchase of anabolic steroids is not punishable in Greece, but there are laws against the prescription drug trade. Nevertheless, the Greeks are more neutral towards steroids. Several years ago, Deca-Durabolin from Organon was one of the most popular anabolic steroids in the world. Unfortunately, at the moment you only get 50mg-dosed Nandrolone Decanoate on MSD. Cannabis has now been downgraded to the same status as anabolic steroids and anti-depressants. Home Secretary David Blunkett's move to reclassify cannabis - first set in motion more than two years. Steroids from Greece such as Testosterone enanthate or Nandrolone Decanoate can be ordered via Mcsteroids online without a

prescription. #bodybuilding #legday #cardio #homeworkout #backworkout #back #triceps
